Widening of road from Nepeansea Road turning till Hyderabad Estate Gate no 2

Dear Milindji,

The residents of Nepeansea road and nearby vicinity are extremely happy with the road widening project, which has already completed in a short span of time.

On behalf of more than 10,000 residents of Simla House, Simla Nagar, Mehrina, Malbar, Godrej Baug and Hyderabad Estate, we would like to further draw your kind attention towards accidents and acute traffic congestion caused at the road leading from Nepeansea road turning till Hyderabad Estate gate No 2 (sketch attached). Especially the new BEST bus services running on this narrow road, with two ways traffic makes it extremely risky for both - the pedestrians and vehicular traffic.

Attached herewith various correspondences exchanged earlier with the concerned authorities, which will be helpful to you in understanding & expediting the matter.

As per the correspondence, this is a setback land pertaining to CPWD, and they are not willing to hand over the same to MCGM. It will be not out of place to mention that having acquired 10 ft from CPWD to widen the road additional FSI was granted to CPWD and by virtue of that, they have already constructed a block.

Hence, in order to avoid further accidents and free movement for pedestrians & vehicles, you are requested to use your good influence with the concerned CPWD and Ministry of Urban Development offices (Land & Development) to expedite this long pending matter.

Thanking you and looking forward for prompt actions.

Very truly yours
